IMPORTANT INFORMATION ABOUT LOAN APPLICATION PROCEDURES: To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who applies for a loan. What this means to you: When you apply for a loan, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see other identifying documents.

DISCLOSURE STATEMENT: Borrower(s) hereby authorize MES or its agents to investigate creditworthiness and credit capacity, and to furnish information concerning loan credit activity to consumer reporting agencies and other persons who may receive such information. If I ask, I will be informed whether or not a consumer report was requested, and if a report was requested, I will be informed of the name and address of the consumer reporting agency that furnished the report. NOTICE TO ALL CO-SIGNERS OF THIS NOTE: You are being asked to guarantee this debt. Think carefully before you do. If the borrower does not pay the debt you will have to. Be sure you can afford to pay if you have to, and that you want to accept this responsibility. You may have to pay up to the full amount of the debt if the borrower does not pay. You may also have to pay late fees or collection costs, which may increase this amount. The Lender or other holder of this Note can collect this debt from you without first trying to collect from the borrower. The Lender or other holder of this Note can use the same collection methods against you that can be used against the borrower, such as suing you, garnishing your wages, etc. If this debt is ever in default, that fact may become part of your credit record. This notice is not the contract that makes you liable for the debt.

I WILL NOT SIGN THIS NOTE BEFORE READING BOTH SIDES OF IT, EVEN IF OTHERWISE ADVISED. WHERE BLANK SPACES EXIST, I HAVE ENTERED MY REQUESTS. BY SIGNING THIS NOTE I ACKNOWLEDGE THAT I HAVE READ, UNDERSTAND AND AGREE TO THE TERMS OF THIS NOTE. I AM ENTITLED TO AN EXACT COPY. Student Borrower _____ Date _____ CoBorrower 1 _____ Date _____ CoBorrower 2 _____ Date _____

WARNING: Any person who knowingly makes a false statement or misrepresentation on this form is subject to penalties which may include fines or imprisonment.

A. LOAN AMOUNT

1. I am sending you this signed Note with the understanding that this Note will be binding on me. You will either mail to my school a loan check co-payable to me and my school, or transfer funds electronically to my school. I agree to repay the Loan Amount that you lend to me. If the student borrower ceases to be enrolled at his or her school prior to any disbursement date, I will promptly notify the Lender so that the pending disbursement may be cancelled.
2. In addition to other information, the Disclosure Statements you send me will tell me the amount of my loan, the amount of the origination fee, and my right to cancel.
3. I will review my Disclosure Statements and will notify you if I have any questions. If I am not satisfied with the terms of my loan as approved, I may cancel this Note and all disbursements. To cancel this Note, I must contact you in writing within three days of receiving your Final Disclosure Statement, notify my school.

B. DEFINITIONS

1. **Disbursement Date** - The "Disbursement Date" is the date on which you lend money to me in consideration for my Note. If my loan is disbursed by check, it will be the date shown on my loan check. Otherwise it will be the date on which funds are transferred to my school.
2. **Deferment Period** - The "Deferment Period" will begin on the first Disbursement Date and will end on a date which is six months after I graduate or otherwise cease to be enrolled at the school named on my application.
3. **Repayment Period** - The "Repayment Period" will begin on the date after the Deferment Period ends. (If there is no Deferment Period for my loan then the Repayment Period will begin on the first Disbursement Date, although you may choose to delay my first payment date to as late as 51 days after my loan is fully disbursed.) The Repayment Period shall be as set forth in Paragraph D.4. below.

C. INTEREST

I will pay interest monthly until the principal sum of this Note is paid in full, on the first day of the month or such other day as you may specify in writing from time to time, and in any case on the date and for the period specified in an interest bill from you. Interest begins to accrue on the Disbursement Date and will continue to accrue until the principal is paid in full. Interest will be calculated on the basis of either the actual number of days in the year or 365.25 days and the actual number of days elapsed including holidays and days on which you are not open for the conduct of business. Interest will be at a fixed rate of 8.50%.

D. TERMS OF REPAYMENT

1. **Deferment Period** - If I have elected to defer payment of principal, I will be obligated to make interest only payments during the Deferment Period. I will be billed on a monthly basis. Failure to make interest only payments when due during the Deferment Period will be a default as provided in paragraph H.1.
2. **Repayment Period** - During my Repayment Period I will make consecutive monthly payments in the amounts and on the first day of each month or on such other payment due dates as you may specify in writing from time to time until I have paid all of the principal and interest and any other charges I may owe under this Note.
3. **Repayment Terms** - I will repay my loan in consecutive monthly payments of principal and interest, made up partly of principal and partly of interest. Initially, principal of this Note shall be amortized over the applicable Repayment Period as set forth in Paragraph D.4. or as otherwise disclosed to me and based on the interest rate in effect on the Disbursement Date, so that my monthly payments (including principal and interest) are substantially equal over the life of the loan. My minimum payment will always be at least \$50 each month or the entire unpaid balance of my loan, whichever is less.
4. **Principal Repayment Period** - The Principal Repayment Period for this Note is 120 months (10 years) beginning with the date on which principal repayments begin.
5. **Application of Payments** - Each payment you receive will be applied first to any applicable late charges to the extent permitted by law, second to interest accrued to the date you receive the payment, and third to the outstanding principal balance of this Note.
6. **Obligation to Pay – Death or Disability** - I acknowledge that if the student should die or become permanently disabled, the loan balance will be cancelled. Any tax implications of this transaction will be the responsibility of my co-borrowers. If a co-borrower should die or become disabled, the obligation to pay this loan will remain in force for any remaining party on this Note.
7. **Prepayment Without Penalty** - I have the right to repay all or any part of my loan at any time without penalty.

E. LATE CHARGES

If my payment or any portion of my payments is more than 15 days late, I agree to pay at your request a late charge not exceeding \$10.00 or 5% of the amount that is late, whichever is less, subject to the maximum permitted by law. I will pay only one late charge for any monthly payment, regardless of the number of days it is late.

F. ORIGINATION FEE

I agree to pay you a total origination fee based upon guidelines established by the Lender. The origination fee will not exceed a maximum of five percent (5%) of my approved loan amount. This fee assessed will be identified in your Disclosure Statements. I acknowledge that you will be increasing my loan amount to cover the origination fee and the fee will then be deducted from the loan proceeds at the time of disbursement. If for any reason you do not deduct the loan fee at disbursement, I agree to pay it when you bill me for it.

G. FORBEARANCE

If I am unable to repay my loan in accordance with the terms established under Paragraph D. of this Note, I may request that you modify these terms. I understand that such modification would be at your option. I also understand that interest will continue to accrue during any period of forbearance. If I choose not to make interest payments during the forbearance period, I agree that the holder will capitalize such interest at the end of the forbearance period.

H. DEFAULT: WHOLE LOAN DUE

To the extent permitted by law, I will be in default and you will have the right to give me notice that the whole outstanding principal balance, accrued interest and all other amounts payable to you under the terms of this Note, are due and payable at once (subject to any law which may give me a right to cure my default) if:

1. I fail to make any monthly payments to you when due; or
2. I fail to notify you of a change in my name, address, or school enrollment status within ten days after a change occurs; or
3. I break any of my other promises in this Note; or
4. Any bankruptcy proceeding is begun by or against me, or I assign any of my assets for the benefits of my creditors; or
5. I make any false statement in applying for this loan or in any subsequent communication with you.

If I default, I will be required to pay interest on this loan accruing after default. All the provisions of Paragraph C above will continue to apply after default. I understand that this loan is an educational loan and as such is generally not dischargeable in bankruptcy, pursuant to Section 523(a)(8) of the United States Bankruptcy Code.

I. COLLECTION COSTS

I agree to pay you all reasonable amounts, including reasonable collection agency and attorney's fees and court and other collection costs, that you incur in enforcing the terms of this Note if I am in default, up to the maximum permitted by law.

J. NOTICES; ADDRESSES

1. I will send written notice to you within ten days after any change in my name, address, or school enrollment status.
2. Any notice that you are required to give me will be effective when mailed by first class mail to the latest address you have for me, except for Disclosures which allow additional time in accordance with the laws governing them.
3. Any notice under this Paragraph J may be sent by or to whatever servicer may be authorized by you to service my loan account. I understand that payments and notices should be sent to that servicer, if any, rather than to you, unless I am otherwise advised in writing.

K. PRIVACY

1. You will give me notice of your policies regarding the disclosure of nonpublic information regarding me to your affiliates and unrelated third parties, and I will be given the right to restrict such disclosures as required by law.
2. I must update the information on my application whenever you ask me to do so. I authorize you from time to time to furnish information about my loan to consumer reporting agencies and to others legally allowed to receive such information. I understand that if I default on my loan, disclosure of information about my loan to consumer reporting agencies may adversely affect my credit rating.
3. I authorize you from time to time to request and receive from others credit related information about me, and about my spouse if I live in a community property state. If I ask you, you will tell me whether you have requested information from a consumer reporting agency and will provide me with the name and address of any agency that furnished you with a report.
4. Unless prohibited by law, you are authorized to share information about my loan, including, but not limited to, my name, social security number, and address, with your subsidiaries and affiliates, and/or with my school.

L. ADDITIONAL AGREEMENTS

1. By signing this Note, I certify the student is enrolled at the Institute of Doctoral Studies in the Visual Arts. The proceeds of this loan will be used only for tuition and other post-secondary educational expenses at the IDSVA.
2. My responsibility for paying this Note is and will be unaffected by the liability of any other person to me or to you for repayment of this Note, by your release of any other person from liability to pay this Note, or by your failure to notify me that a required payment has not been made. Without losing any of your rights under this Note you may accept (a) late payments, or (b) as permitted by law, partial payments, even if marked "payment in full." You may delay or fail to exercise, or waive any of your rights on any occasion without losing your entitlement to exercise the right at any future time or on any future occasion. You will not be obligated to make any demand upon me, send me any notice, present this Note to me for payment or make protest of nonpayment to me before suing to collect on this Note. If I am in default, and to the extent permitted by applicable law, I hereby waive any right I might otherwise have to require such actions.
3. You are located in Maine. This Note will be deemed to be entered into in Maine. Your decision on whether to lend me money will be made in Maine. Consequently, the provisions of this Note will be governed by federal laws and the laws of Maine, without regard to conflict of law rules. I agree that any suit I bring against you must be brought in a court of competent jurisdiction in whatever place (currently Maine) you have your principal place of business at the time. I agree that any suit against me in the event I default on this Note may, to the extent permitted by law, be brought in any court located in Maine, regardless of where I am now living or where I may be living at the time of suit.
4. I may not assign this Note or any of its benefits or obligations. You may assign this Note at any time.
5. The terms and conditions set forth in this Note constitute the entire agreement between you and me.
6. If any provision of this Note is held invalid or unenforceable, that provision shall be considered omitted from this Note without affecting the validity or enforceability of the remainder of the Note.
7. A provision of this Note may only be modified if jointly agreed upon in writing and signed by both you and me. No modification will affect the validity or enforceability of the remainder of the Note.
8. I authorize my school to pay to the lender any refund that may be due up to the full amount of the loan(s).
9. If this Note is executed by more than one borrower, each borrower agrees that any communication between you and any of the borrowers will be binding on all of the borrowers, and that the provisions of this Note will apply to all borrowers individually and collectively.
